Respected Sir

Sub: Submission of 2022-23 comments from stakeholders on the curriculum and syllabus – Reg

We have gathered feedback from various individuals and groups involved with our institution for the academic year 2022-23. The goal is to enhance the quality of education and pinpoint any gaps in the curriculum that may not align with what the industry currently demands. After reviewing this feedback, we have put together a list of recommendations to incorporate into the existing curriculum and syllabus.

- Include Value Added Course in the curriculum
- Offer training in interpersonal skills as part of the curriculum.
- Offering Faculty Development Programs (FDP) in cutting-edge technologies
- Include the Research Scheme policy for faculties

Dear Professor

Sub: FDP Naan Mudhalvan 4th semester courses scheduled 11th to 16th March 2024

Greetings from CFPD, Anna University!!!

It is to bring to your kind attention that forthcoming 2024 even semester, 2 unique courses

1. **Employability Skills**
2. **Experience Based Project Learning (EBPL)**

(List of courses enclosed and the syllabus as uploaded in Anna University website) are going to be offered for the 4th semester students. In order to mentor the students, it is proposed to conduct one week Faculty Development Programmes (FDP) for the faculty members working in the above – mentioned institutions from 11.03.2024 to 16.03.2024. The details of the Host Institution, participating zone / college, venue and other details will be shared by TNSDC.

As we are aware Government of Tamil Nadu through the Tamil Nadu Skill Development Corporation (TNSDC) has launched “Naan Mudhalvan” scheme for the benefit of 12.5 Lakh youths studying in the Engineering, Arts & Science and other professional courses across the state of Tamil Nadu. It is one of the prestigious and massive skilling programme in which Anna University is partnering with TNSDC to conduct certain credit courses and vertical professional elective even semester courses (R-2021) which will be offered in the forthcoming even semester 2024, to Engineering students studying in the University Departments, Constituent colleges and Non autonomous affiliated colleges of Anna University. The courses offered through these initiatives are based on the industrial expectations and to bridge the gap between the academia and industry in terms of skill set expectations. This skilling initiatives will enhance the employability skills of the individuals and to get placed in the Multi-nationals, R & D and National level organisations. These courses are being delivered by the Industry training partners.

The “Naan Mudhalvan” & CFPD of Anna University team has done a meticulous planning in executing this FDP without any hassle. The team deserves a special encomium. Now it's our turn to support by sending the faculty members to the designated venue for FDP and providing them with “ON-DUTY” and to speak with the management to provide any additional support for their travel and accommodation. A special mention to the host institution to provide necessary infrastructure including seminar hall with $\$A$ system, Computer lab if required.

Kindly note the following instructions that are given by the TNSDC::

1. Each hosting Institution is eligible for Rs.250/day, per faculty for lunch, snacks and tea.
