TEKHSOL

WHEREAS:

- (A) First party is a Higher Educational Engineering Institution.
- (B) The Second Party is engaged in Web based monitoring systems, Industrial Automation and Embedded Based Solutions in the fields of Engineering Works and related fields.
- (C) First party & Second party believe that the collaboration and co-operation between themselves will promote the effective use of each other's resources, and provide each of them with enhanced opportunities.
- (D) The Parties intent to cooperate and focus their efforts on the area of Human resource, Internship, Industry-Institute relationship, Industrial visits, Education, Research, Knowledge sharing activities, and consultation activities.
- (E) Both Parties, being legal entities in themselves desire to sign this MoU for advancing their mutual interests.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERE TO AGREE IS AS FOLLOWS:

CLAUSES

1. SCOPE OF THE MoU

The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

Internships, Industrial Training & Visits: Industry and Institution inter- action will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The internship, industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

Placement of Trained Students: Second Party will actively engage to help the delivery of the Industrial Visits and Hands On for students of the First Party into internships/jobs.

Second party may outsource / discuss the industrial research and implementation problem in engineering domain to First party as research consultation.

Both Parties are abide to all internal / affiliating bodies' rules, protocols, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.

All financial transactions between both parties must be transparent and documented. All transactions must be through knowledge of the agreed representatives of the parties.

TEKHSOL

VALIDITY

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period both parties will take effective steps for implementation of this MoU. Any act on the part of both Parties after termination of this Agreement by any way of communication, correspondence etc., shall not be construed as an extension of this MoU.

Both Parties may terminate this MoU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

RELATIONSHIP BETWEEN THE PARTIES

It is expressly agreed that First Party and Second Party are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of New Delhi.
