INTRODUCTION

Christ the King Engineering College (CKEC) encourages students to involve themselves in social services to facilitate their holistic development. Through exposure to various extension activities, students are prepared for societal and humanitarian challenges. Our Institute works with the neighboring community, carrying out a range of extension programs to address the needs of the neighborhood under the National Service Scheme (NSS), Youth Red Cross (YRC), and other initiatives. Participating in such activities broadens students' knowledge, leadership qualities, skill levels, and self-confidence. Service to mankind is service to God. Our incredible has long way of traditional out look to take care of others; especially Tamil culture is famous for its way of approach in helping others. Generous donations made by the Indians during the natural calamity shows the mentality of helping the fellow citizens in a needy situation. Our father of the nation rightly said “The student community should be actively involved in the service of rural society to eliminate social disability”. Bearing service of society as the prime aim, National service Scheme was launched by Union Education Minister Dr. V.K.R.V. Rao on September 24, 1969.

NSS MOTTO

The Motto of NSS “NOT ME BUT YOU“, reflects the essence of democratic living and upholds the need for selfless service. NSS helps the students develop appreciation to other person’s point of view and also show consideration to other living beings. The philosophy of the NSS is well doctined in this motto, which underlines/on the belief that the welfare of an individual is ultimately dependent on the welfare of the society on the whole and therefore, the NSS volunteers shall strive for the well-being of the society.

The broad objectives of the NSS Unit are as follows:

- To identify the problems and needs of society.
- To practice national integration and also social harmony.
- Community – related problems.
- To practice National integration and also social harmony
- Acquire leadership qualities and democratic attitudes

CHRIST THE KING ENGINEERING COLLEGE

NSS unit of Christ the King Engineering College (CKEC)

The NSS Unit of CKEC with its 100 students conducts several outreach programmes every year in and around villages of the college. The NSS unit highly focuses on educating the neighboring villages about sanitation and hygiene. Through these activities students develop a feeling of responsibility that they should contribute back to the society and the environment. Also at the emergency times student and staff volunteering themselves in activities like distributing Nilavembu Kashayam, Mask, Kabasura Kudineer to the needy. Regular Camp programmes are also conducted in which students stay in the surrounding villages for about 5 days a year to carry out NSS activities which include refurbish the school buildings and temples, arranging medical checkup camps etc. Awareness programmes are also organized for the public to sensitise on social issues like traffic regulations, health awareness programmes, drug abuse, pocso act and pollution free campus.

DETAILS OF MILESTONE ACHIEVEMENTS OF NSS:

TOTAL UNITS OF BLOOD DONATED: 500

TOTAL TREES PLANTED: 500

NSS PROGRAMME OFFICER'S DETAILS:

Mr.K. KARTHIK M.Sc, B.Ed, M.Phil
Assistant Professor of Mathematics,
Department of Science and Humanities

YOUTH RED CROSS (YRC):

Established in 2015, Christ the King Engineering College's Youth Red Cross (YRC) unit is a vibrant student organization working to improve the lives of others. Officially registered under the Indian Red Cross Society, Tamil Nadu Branch, the YRC actively promotes humanitarian values through a diverse range of initiatives. CKEC associated with YRC and organizing activities with the involvement of the entire students strength of the institution.

About 30 student members with a Coordinating Officer is organizing blood donation camps joining hands with different hospitals and organizations in and around the city. In addition, the students of the YRC volunteers in large number to donate blood as and when it is sought for in case of emergencies. The following activities are conducted through YRC:

Blood Donation Camps

Partnering with government blood banks, the YRC conducts blood donation drives, fostering a spirit of community service and ensuring a critical life-saving resource is readily available.

Disaster Preparedness Workshop

Recognizing the importance of preparedness, the YRC equips students and the community with valuable skills through disaster preparedness workshops. These workshops cover topics like first aid, evacuation procedures, and disaster mitigation strategies.

First Aid Training

The YRC equips individuals with the knowledge and skills to act decisively in emergencies through comprehensive first-aid training sessions. These sessions cover lifesaving techniques like cardiopulmonary resuscitation (CPR) and provide guidance on how to manage situations like epileptic seizures until medical help arrives.

Environmental protection activities

The YRC teaches its members how to turn leftover food scraps and yard waste into organic compost. They do this through workshops where members learn about different composting methods like bokashi, hot composting, and worm composting.

NEIGHBORHOOD COMMUNITY BENEFITED

Education Awareness and Social development activities have been conducted in the following villages for the welfare of the neighbourhood community during the Academic Year 2022-2023.
