This Memorandum of Understanding (MoU) is made on 16th August 2021.

1. This memorandum sets out the understanding of, **SM Forging & Engineering Pvt. Ltd.**, Bilichi, Coimbatore on the one hand, and on the other, **Christ The King Engineering College**, Coimbatore, Tamil Nadu of the principles that will underlie relations between them.

2. This memorandum is a statement of intent and should not be interpreted as a binding agreement. It does not create legal obligations between the parties. It is intended to be binding in honour only. It is established for the mutual benefit of the co-operation between the two parties.

Parties

3. SM Forging & Engineering Pvt Ltd, bilichi, Coimbatore-641019

4. Christ The King Engineering, 158/3, Cecilia gardens, Onnipalayam road, Coimbatore - 641104

Intent

5. This memorandum seeks to give this co-operation a more formal and long-lasting status in order that the two parties may work more effectively together.

Objectives

6. Both parties hereby agree to encourage academic, skill development, internships, joint project proposals and consultancy through development, research, study and training, placement activities.

7. It is envisioned that the cooperation will be based on activities mutually agreed between the parties as per the following scope:

- Christ the King Engineering College shall provide sufficient number of participants for each training/skill development programme as per agreement.
- SM forgings & Engineering Pvt Ltd, Coimbatore, shall facilitate employment opportunity and internship programmes to eligible students of Christ The King Engineering College.

8. This Memorandum of Understanding will come into force on the date of its signature by both parties and will be valid for **a period of three (3) years** from that date. Both parties agree to review this Memorandum of Understanding after three (3) years following the date of

Signing and acknowledge that this Memorandum is subject to revision and termination at any time by three months' notice by either party.

9. The Parties agree that each may publish or advertise the existence of the collaboration between the Parties pursuant to this Memorandum and such collaborative activities undertaken in promotion of this Memorandum provided that prior approval of the other party is first obtained on all such marketing and related materials before publication.

10. The official text of this MOU shall be the English language, and any interpretation or construction of this MOU shall be based thereon. If this MOU or any documents or notices relating to it are translated into another language, the English version shall be controlling in the event of discrepancy between the two.
