## VISION

To be an institute of excellence in Technical Education and training individuals focusing on the needs of the Nation and Society in tune with Technological Developments.

## MISSION

Our Mission is to produce Disciplined and Quality Technocrats through Academic Programme of noted excellence to serve the Society.

- Creating a nurturing, holistic environment of engineering education to facilitate every student realize their full potential.
- Strive to make the students strong in basic concepts armed with appropriate skills to enhance one's ability to apply the knowledge and provide solutions to real time issues.
- Maintain an ambiance that facilitates the students to strengthen their ethical value systems.
- Actively promote R&D and Institute- Industry Interaction.

## QUALITY POLICY

We, at the Christ the King Engineering College are committed to imparting quality and value based education to develop our students as professionals of technical excellence.
